

Grow and Prosper

SparkPoint OC Financial Empowerment Centers help local families and individuals achieve financial stability.

Financial security is having a monetary safety net. It's the assurance of living beyond the next paycheck. People with financial security can think past their immediate needs to a broader horizon by creating achievable goals and investing resources for a brighter future.

LEARN EARN SAVE INVEST PROTECT

1 Visit our **SparkPoint OC Financial Empowerment Center** for services that are tailored to our community to improve credit, increase income and build assets

2 Get connected to a **personal coach** who will help create a step-by-step financial plan. They can help empower and encourage you to act on your own behalf to achieve personal goals

3 Take the steps to achieve **long-term financial stability** including job development, debt and credit management and savings planning

4 By choosing SparkPoint OC, you'll be able to **connect to other United Way Partner services** such as free tax preparation, housing, healthcare and transportation

OUR STRATEGY
