A Collaborative Approach to Bridge the Skills Gap in Orange County

United Way’s UpSkill OC workforce development program supports individuals as they move from unemployment or low-wage positions into long-term, livable wage, middle-skill positions. These jobs require more than a high school diploma but less than a four-year degree.

UpSkill OC directly connects qualified candidates to training, support and middle-skill jobs by partnering with local nonprofits and the business community. The program ensures a strong job pipeline that matches the needs of the employer with trained candidates. By focusing on two of the largest middle-skill job sectors in Orange County—healthcare and information technology—UpSkill OC reduces the gap between the number of job openings and the number of individuals ready to fill those positions.

**LOCAL BUSINESSES** + **LOCAL NONPROFITS** = **UPSKILL WORKFORCE TRAINING**

- OC businesses have a hard time finding skilled candidates to fill their growing number of middle-skill openings
- Many OC residents need to access better-paying jobs to make ends meet and afford housing
- UpSkill OC matches the needs of the employer with the trained employees

**LEVELS OF SUPPORT**

UpSkill OC helps individuals navigate their employment journey from unemployment or low-wage positions to secure, middle-skill careers. Our partners provide different levels of engagement and support, each based on need and capacity.

1. Individualized assessment of participants with commitment plan
2. Personalized workforce development coaching
3. Tailored training of all skills
4. Finding and securing living-wage employment
United Way’s UpSkill OC workforce development program serves as the bridge connecting two challenges in Orange County: the need for affordable housing and the need for sustainable wages. Our program aims to ensure that once an individual is able to secure housing, s/he has the means and skills to be on the path towards independence and housing security.

**PROGRAM COMPONENTS**

**HOUSING SECURITY**
By collaborating with United Way’s Rapid Re-housing partners, UpSkill OC helps individuals who are currently being assisted with housing to develop a job and career pipeline that ensures participants will be able to support themselves within the OC housing system.

**WORKFORCE TRAINING**
UpSkill OC doesn’t just identify individuals who are ready and willing to take the next step in their careers. We also ensure each person who participates in our program will acquire the skills necessary for the chosen field.

**BUSINESS ENGAGEMENT**
Employers are equal partners in this initiative, creating training programs alongside the workforce training aspect. UpSkill OC participants are prepared for the skills of the future, and their training program is tailored to a long-term career plan.

**FOUR OBJECTIVES**

1. Equip recently re-housed individuals with the support and training needed to secure long-term employment.
2. Develop training programs to ensure alignment with greatest corporate need.
3. Provide supported, career-aligned training.
4. Ensure that underemployed and unemployed adults are hired and able to retain jobs.
