

# PROVIDE TECHNOLOGY KITS

## FOR LOCAL STUDENTS IN NEED

With many local schools continuing online learning for the safety of students and staff during the COVID-19 pandemic, making sure students have the resources they need to learn at home is more important than ever.

**You can support Orange County students in need with technology kits for distance learning.** Technology kits give students key resources to promote equitable learning during this difficult time. These technology kits truly make a difference in students' lives, increasing their success in learning from afar, so thank you for your efforts.
