

**OC FREE  
TAX PREP** \$

## Join us today as a volunteer tax preparer to help OC residents keep their hard-earned money.

The OC Free Tax Prep campaign offers free tax preparation services in Orange County through the Volunteer Income Tax Assistance (VITA) program.

Join a team of 500 volunteers making a **local impact of almost \$17 million** every year.

**No prior experience required.** Training will be provided **virtually through Zoom** by United Way and the IRS in November, December and January. This is a great way to get tax prep experience and help low-income residents achieve financial security.

### Volunteer roles include:

- Greeter/Ambassador
- Interpreter (Spanish, Mandarin, Vietnamese, Farsi or Korean speakers)
- Tax Preparer

*All in-person tax prep will follow CDC safety guidelines.*
