

ORANGE COUNTY UNITED WAY JOB DESCRIPTION

Job Title: Housing Intake Specialist	Reporting To: Contact Center Manager
Department: Contact Center, 2-1-1 Orange County (211OC)	Position: Full-time/Non-EXEMPT

Purpose of Position

Under the direction of the Client Services Supervisor, the **Housing Specialist** is a client-focused position serving English- and/or Spanish-speaking individuals in Orange County, and is primarily responsible for providing information, resources, and crises assistance to clients contacting 211OC through the helpline, email, texting, outreach events, or any other means identified by 211OC management. We are a **high volume call center** and the front line to providing assistance to those in need. We are looking for articulate, caring, good communicators, who are able to maintain a calm and professional demeanor, think on their feet, yet able to handle the call volume we receive from routine questions to more complex issues. We put our callers' needs first, as we are here to serve our community.

Key Duties and Responsibilities

- Provide social service navigation to clients contacting our contact center at 211OC through the helpline, email, texting methods, outreach events.
- Assess clients' need and readiness for services and their current barriers to stable housing
- Identify and confirm clients' existing service connections at time of intake, including but not limited to the services clients report having contacted and the services—including assessments (i.e. Housing Assessment)—clients appear to have accessed according to HMIS
- Help clients establish concrete, attainable housing stability goals and develop action plans for achieving those goals; track clients' progress toward achieving their housing stability goals, adjusting action plans as needed to overcome barriers
- Connect clients to community resources tailored to their unique housing needs, strengths, and obstacles; connections may include—but are not limited to—referrals, "warm" hand-offs between clients and partner organizations, and direct enrollment in services, when applicable
- Continuously assess clients' interest in following and capacity to follow their action plans; refer clients with low interest to lower-level services; connect clients with low capacity to higher-level services
- Follow clients throughout their action plans until one of the following conditions is met: 1) stable permanent housing is achieved, 2) lower interest level results in a referral to lower-level services, or 3) service limitations or unavailability have resulted in an impassable barrier to stable permanent housing; consult with organizational leadership before terminating a client case due to impassable barrier
- Maintain accurate records on all clients, meeting the deadline and thoroughness standards established by your department in HMIS and 211OC's Information & Referral Database.
- Directly provide clients—or connect them to—appropriate and relevant information, education, and training on diversion, prevention, and housing services, renters' and landlords' rights and responsibilities, and other topics that would assist them in remaining or becoming housed
- For clients identified as needing wraparound support from multiple community organizations, plan,

- coordinate, and manage the provision of wraparound services department
- Serve as liaison between partner organizations' outreach workers and their clients when the clients contact the helpline requesting updates
 - Advocate for clients with housing providers when clients run into barriers
 - Meet or exceed all efficiency, deadline, accuracy, and compliance standards established by HUD and/or your
 - Learn and develop expert working knowledge of our resource database and its management software.
 - Active listening, with ability to assess clients' stated and unstated needs during interactions.
 - Educate clients on available services/resources and ensure client eligibility and support.
 - Empower clients to choose the services they feel are most appropriate for their situations by discussing the options and needs assessed.
 - Deescalate clients if upset and intervene during crises and/or situations of abuse.
 - Troubleshoot services and their availability utilizing expert knowledge and navigation of the 211OC resource database and through teamwork with other I&R Specialists in the Dept.
 - Be an advocate and assist clients in problem-solving when no services are available which can meet their needs.
 - Perform thorough intakes on clients and accurately report data.
 - Follow-up with clients and close the loop to ensure they received needed services. Track this information on service provision in Orange County.
 - Other duties as assigned.

Core Competencies

All employees, in performing their respective tasks and duties, are to perform quality work within deadlines, with or without direct supervision; interact professionally with other employees, customers, and suppliers; work effectively as a team contributor on all assignments; and work independently while understanding the necessity for communicating and coordinating work efforts with other employees and organizations.
