

INSPIRE CREATIVITY IN LOCAL STUDENTS WITH THEIR VERY OWN ART STUDIO KIT!

Through the magic of art, you can empower Orange County elementary school students to unleash their creative minds, develop essential fine motor skills, and boost their confidence through self-expression.

Art Studio Kits provide everything student artists need to bring their imagination to life, from vivid colored pencils to glittering paints.

Join us in making a positive impact for these students!

Please note: art supplies must be new and placed in a drawstring bag. This volunteer activity can be done as part of a team-building activity or individually.
