

CREATE STEAM KITS IN PARTNERSHIP WITH ORANGE COUNTY UNITED WAY

Engage the next generation of workforce leaders in Orange County by providing local Title 1 elementary school students with hands-on learning activities that enhance their creativity, hone their critical thinking skills, and build their confidence and knowledge in the Science, Technology, Engineering, Art, and Mathematics (STEAM) fields.

Join United Way in this team-building volunteer opportunity and make a positive impact for these students!

Please note: all items must be new and placed in a re-sealable storage bag.

Start Building STEAM Kits Today!
