

Volunteer to Beautify a Local School & Inspire OC Students

Join Orange County United Way in a special beautification project by painting a mural at a Title 1 elementary school in Orange County.

Murals enrich the local community, spark the imagination of students for years to come, and serve as a daily reminder of school pride.

Together, with your team, you can create long-lasting change by genuinely caring for one another. **That's The OC Way.**

***Please note:** this team-building activity is designed to accommodate 15–30 volunteers and combines artistic expression with social impact. No prior painting experience is required! United Way will provide all necessary supplies and instructions, alongside guidance from a professional muralist. This activity requires a sponsorship to cover materials and artist fees.*
