

SPARKJOY THIS HOLIDAY SEASON for SparkPoint OC Families!

Bring joy to a local family in need this holiday season through the **SparkJoy Adopt-a-Family Program**. This rewarding opportunity connects volunteers with Orange County families' holiday wish lists. Presents will go directly to the children of families participating in our SparkPoint OC financial wellness program, part of Orange County United Way's **United for Financial SecuritySM** initiative.

Each family has an average of 3 or more children. One gift per child is requested for each child under 17 years old. Each child's wish list will include gifts up to \$35. Please commit to providing gifts for all children. Share the happiness of the holidays and add your personal touch by wrapping and labeling each gift.

Sign up between October 1 - November 15.
Drop-off instructions will be provided upon registration.

To sign up or for more information, please contact Miranda Tula, Volunteer Engagement Coordinator, at MirandaT@UnitedWayOC.org or 949.263.6124.
