

Comfort Kits

Help Bring Comfort to Sick or Injured Children

Comfort Kits are designed to bring a touch of warmth, fun, and comfort to young patients. Packed with engaging activities, cuddly companions, and creative supplies, these kits offer a pleasurable distraction and a sense of normalcy.

Your support will make a world of difference in helping these children feel loved and supported during difficult times.

Host a volunteer event to assemble Comfort Kits or create your own kits and donate!

LIST OF COMFORT KIT ITEMS:

- | | |
