

At Orange County United Way, we are committed to caring for our community and creating brighter futures for all by ensuring local students succeed, OC families gain financial security, our unhoused neighbors find a place to call home, and everyone gets connected to the assistance they need.

Through our United for Student SuccessSM initiative, we provide programs and services to ensure students from our underserved districts receive the support they need to stay on track in school, graduate high school on time, and are prepared for college, career, and life.

“I felt empowered; people believed in me. I made connections at this company, and I know I can keep going and be successful.”

—Alex, Youth Career Connections Workplace Mentorship Program Mentee

Through our United for Financial SecuritySM initiative, we’re ensuring local families get on the path to financial security by delivering programs that help establish a Safety Net, empower Financial Wellness, and develop Workforce Solutions.

“United Way helped me with interviewing skills and updating my resume. [Through their Upskill OC program], I was able to find some financial freedom.”

—Jeymie, Upskill OC Workforce Development Program Participant

Through our United to End HomelessnessSM initiative, we are building an Orange County where everyone has a safe and affordable place to call home and opportunities to thrive.

“You can help too little, but you can never help too much. People like me appreciate the help and really do need it.”

—Seth, former foster youth and WelcomeHomeOCSM Housing Navigation Program Beneficiary

2-1-1 Orange County (211OC) is more than a hotline—it’s a lifeline and a community resource hub connecting Orange County residents with critical support. We help individuals and families access essential services and empower service providers with data-driven insights. Together, we’re building a stronger, more compassionate community and human-centered care system.
