

MATH KITS

Support Orange County Students
with Math Literacy Kits

Make a difference in the lives of local Title I elementary school students (K-3) by creating fun, hands-on math literacy kits that spark confidence and joy in early math learning. Providing strong early math foundations helps students engage, develop critical thinking skills, and thrive in the classroom and beyond.

Join us in making a positive impact for these students!

Please note: All items must be new and placed in a drawstring bag or backpack.

Create Kits in Partnership with Orange County United Way!

- Activity Book
- Color Pencils
- Drawing Board
- Drawstring Bag
