

# PET CARE KITS

Supporting Individuals & Families  
with Pets in Our Community

Make a meaningful difference by creating pet care kits for individuals and families experiencing homelessness or living in shelters who have pets by their side. For many, these animals are more than companions – they are a source of comfort, emotional support, and unconditional love during difficult times.

By assembling pet care kits, you're helping ensure these beloved companions stay healthy, safe, and cared for while supporting the well-being of their owners.

**Join us in caring for both people and the pets who stand by them.**

**Please note:** All items must be new and placed in a drawstring bag or backpack.
